

Hello Mr. Tobias,

Our FOIA office received your FOIA request, dated November 13, 2017. We have assigned it control number 2018-00225. Please cite this number in any future communications with our office regarding your request.

In your request you asked for the following:

"All correspondence, including letters, memos, as well as emails and attachments, sent or received by senior advisor Kathleen Benedetto that contain one or more of the following phrases: "National Petroleum Reserve-Alaska", "NPR-A", "National Petroleum Reserve", "NPR", and/or "Petroleum Reserve". This request pertains to communications sent or received between August 1, 2017 and the date this request is processed."

We have classified you as a representative of the news media. As such, we may charge you for some of our duplication costs, but we will not charge you for our search or review costs; you also are entitled to up to 100 pages of photocopies (or an equivalent volume) for free. See 43 C.F.R. § 2.39. If, after taking into consideration your fee category entitlements, our processing costs are less than \$50.00, we will not bill you because the cost of collection would be greater than the fee collected. See 43 C.F.R. § 2.49(a)(1). We do not anticipate any charges for the cost of processing this request.

We use Multitrack Processing to process FOIA requests. The Simple track is for requests that can be processed in one to five workdays. The Normal track is for requests that can be processed in six to twenty workdays. The Complex track is for requests that can be processed in twenty-one to sixty workdays. The Exceptional/Voluminous track is for requests requiring more than sixty workdays for processing. The Expedited track is for requests that have been granted expedited processing. Within each track, requests are usually processed on a first-in, first-out basis.

This request falls into the voluminous track.
